

Dear Marion County Animal Shelter,
I think if we get everyone
in Marion county to give you
a couple dollars or loose
change then you would
never have to stop caring
for your animals. I could
not see all of your animals
be put down or let loose. I
hope that you can care for
your animals forever. Also
you would have enough food
and water and great homes.
I love animals I have two
dogs peanut and Fluffy.
I hope people start
bringing in money.

Sincerely
Lily Rasco,
