

## ServSafe® Food Manager Certification Training

Have you been contacted by the health inspector inquiring as to your certification? Are you opening a new business in the food service industry? Do you prepare food at any point in your business and require certification?

The [University of Florida's Food Safety and Quality Program](#) is dedicated to providing training which enables food managers and staff to offer Florida consumers food that is prepared in a clean and safe environment.

This training is offered through [IFAS Cooperative Extension County Offices](#) throughout the State of Florida. We conduct a comprehensive training that provides the most up-to-date information and current regulations. University of Florida County Faculty teach the program and can create a personalized training for your establishment.

Upon successful completion of the training, participants will receive a Certificate of Achievement from the University of Florida Food Safety and Quality Program.

Once you pass the *ServSafe*® Manager's Exam, you will receive a National Certification valid for five years (Certificates/exam results will be sent out approximately two weeks after the exam). The *ServSafe*® Curriculum and Manager's Exam are developed by the [National Restaurant Association Educational Foundation](#). Certification is required in Florida for food managers of all establishments licensed by the [Department of Business and Professional Regulation](#), the [Department of Agriculture and Consumer Services](#) and selected licensees of the [Department of Health](#).

As a nonprofit educational program we are committed to bringing you the best price possible. Below is a summary of our prices:

Training and Exam: **\$110.00**

Training, Exam and *ServSafe*® Essentials Textbook: **\$165.00**

Retest : **\$75.00** (Must have taken exam with UF previously).
