How to Schedule Building Safety Inspections

Marion
County
FLORIDA

2710 E. Silver Springs Blvd.
Ocala, FL 34470
352-438-2400

Automated Inspection Request System (AIRS): 352-438-2477
or

Schedule on-line: <http://www.marioncountyfl.org/departments-agencies/departments-a-n/building-safety/permit-and-inspection-information>

Scheduling Inspections

All building inspections will be scheduled in the order requests are received. When an inspection date is full, new inspection requests will be rolled-over to the next inspection date available.

Building Inspection Codes (Listing on next page)

Schedule an Inspection Online:

Access the Marion County Building Department's webpage at:
<http://www.marioncountyfl.org/departments-agencies/departments-a-n/building-safety/permit-and-inspection-information>

Schedule an Inspection by Phone:

AIRS is the automated phone system used to schedule inspections, check on the status of a permit or cancel an inspection request.

The AIRS phone number is 352-438-2477 (438-AIRS).

You will need the following information:

- Permit number.
- Confirmation number (last three digits of the permit number)
- Inspection type code number.

Note: If you need to schedule an inspection not listed on the inspection job card or a Partial Inspection, call the Building Department at 352-438-2400.

Cancel an Inspection:

All cancellations must be made using the AIRS or website inspection scheduling system prior to 7:00 a.m. on the scheduled inspection day.

Note: All Electrical Inspections with Power Release

These inspection codes include an () after the last number*

Prior to scheduling these electrical inspections:

- 1) A "Request for Power Release" form must be submitted to the permitting office.
- 2) All fees owed must be paid.
- 3) To schedule an electrical inspection with power release contact the Permitting Office at 352-438-2400.

For instructions on how to schedule inspections for Fire, Zoning, Department of Health, Storm Water, Department of Transportation, see back page.
